## Letter to Participants

June 4, 2015

Dear Agriculture Teachers and Students:

On behalf of the Davis College of Agriculture, Natural Resources and Design, we in Agricultural and Extension Education commend you for your participation in the **92<sup>nd</sup> Annual Agriculture Career Development Events**. Your presence helped to make the event a success and we trust that your experiences were enjoyable and educational.

Only through the cooperative efforts of many people were the contests possible. Special thanks are due to the following: West Virginia Agriculture teachers, students and guests for their attendance and participation in various events; Dean Daniel Robison, Associate Dean Dennis Smith, Associate Dean Tim Phipps, Dr. Robert Taylor, Dr. Matthew Jenks, Dr. Joe McNeel, and Dr. Kerry Odell, administrators in the Davis College of Agriculture, Natural Resources and Design; faculty and students in Schools of Agriculture and Food, Design and Community Development, and Natural Resources who prepared and conducted the contests; Physical Plant personnel; the communications media at WVU and in the Morgantown area; County and State Cooperative Extension Service personnel; Office of University Relations; Agricultural and Extension Education majors who assisted in many ways; Jason Hughes, Coordinator Agricultural Education; Nathan Taylor, State Coordinator Agricultural Education; and organizations and individuals who provided plaques and certificates.

Team and individual scores have been compiled for each contest area. We hope that you find this information useful. We look forward to your participation in the State Agriculture Career Development Events in future years.

Sincerely,

Agricultural and Extension Education Faculty:

*Harry N. Boone, Jr.*

*Stacy A. Gartin*
